March Book Discussion

Searching for Sylvie Lee by Jean Kwok

Our March novel begins with a mystery. Sylvie, the beautiful, brilliant, successful older daughter of the Lee family vanishes following a trip to the Netherlands. Amy, the sheltered baby of the family, is determined to find out what happened to her. The answers don't come easy and family secrets are revealed. This book is described as a poignant and suspenseful drama that untangles the complicated ties binding the women of this Chinese immigrant family. We will be discussing this book twice in the month of March: **Monday, March 27 at 5:30 pm and Wednesday, March 29 at 1:30 pm.**
